Comments:

The difference between mediocre photography and incredible photography is in the details. I pay attention to details, especially regarding equipment, the scene, and the needs and desires of the photographer.

Even with the best planning, difficulties often arise that need quick solutions. I have learned to be flexible, to solve problems efficiently, with minimal guidance.

Photographer Endorsements:

"Colleagues: do yourselves a huge favor by hiring Josh- one of the best assistant's around!" liz ordoñez-dawes (ASMP South Florida)

"Josh has been a reliable and conscientious assistant for the five years that he has worked with me. He anticipates what I am going to need next and hustles to make it happen. He shows up to the job with a good attitude and prepared to work." Craig Ambrosio (ASMP South Florida)
